

You're not dreaming.

McCOY'S CALIFORNIA TITLE 22-RCRA .VIRTUAL SEMINARS ARE COMING
JUNE 3-4, 2025 AND SEPTEMBER 9-10, 2025.

Eureka! CA Title 22 and RCRA together.

CUPA is providing McCoy's California Title 22-RCRA .VIRTUAL seminar on two dates: June 3-4, 2025 and September 9-10, 2025. Of course, RCRA is enormously complex and often perplexing by itself—so understanding federal RCRA, the California hazardous waste regulations, and California Health and Safety Code (HSC) may make you want to jump into the sea!

Don't leap into the ocean yet because this seminar will provide the nuance and detail you need and that McCoy is known for. We'll guide you through federal RCRA and we'll highlight the Cali differences. Please contact your manager for more details.
